MATOBO NATIONAL PARK

Your year in the hills

YOUR PLACE IN THE HILLS

Wake up in the granite.

Stone-and-thatch chalets follow the rock. A pool sits between boulders.

Spend the morning with your guide. Come back for a swim, then watch the light move across the hills.

MAKE YOURSELF AT HOME

Stone, thatch and morning light.

Double, twin and family chalets, with en-suite bathrooms and views into the hills. Breakfast and pool access are included in every stay.

OUT IN MATOBO

Track rhino on foot.

Your guide reads the tracks. You follow through the bush, looking for white rhino among the granite and grass.

SAN ROCK ART

Stories in the stone.

Step beneath a granite overhang to see San rock paintings. A guide helps you notice the animals, figures and details you might otherwise walk past.

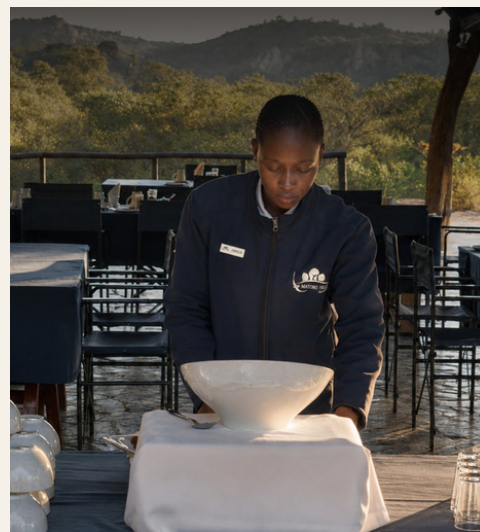

AT THE TABLE

Stay for supper.

After a morning in the bush, let dinner come to you. Choose dinner, bed and breakfast for a three-course evening meal, or full board for lunch as well.

Ask us about dining out in the hills when you book. Tell us about any dietary requirements, too.

Breakfast at the lodge

Take the team into the hills.

A meeting room with daylight. Lunch under thatch. Space to keep talking after the agenda is done. About 55 minutes from Bulawayo.

The pavilion, set for a group lunch

BUILT FOR A WORKING DAY

Room to think.

Up to 40 delegates, with a projector, screen and flipchart. Starlink Wi-Fi, backup power and a dedicated host help the day run smoothly.

Stay overnight for a longer retreat. Add a guided walk, rhino tracking or sundowners to give the team time together beyond the meeting room. Activities are quoted separately unless included in your package.
